U.T.M.B. Correctional /  
Health Care Committee.  
Defendants

Plaintiff Response to Defendants  
Joint Rule 25(d) Substitution of Parties.

To the Honorable Judge of District Court:

Now Comes, Bobbie David Haverkamp, AKA  
the Plaintiff and files response to the Court.

Argument

Your Honor, I don't fully agree with this  
committee chair two step, it looks very questionable  
and a ploy to hide the Defendants who are  
responsible.

old legal according to FRCP 25(G) but who are these people who want to stick their heads in this meat grinder and take on the mistakes of the outgoing committee members?

Your Honor, No sane person would do that, so what's really going on?

1) The Plaintiff wants to know who is the permanent Chair-committee member now?

2) The Plaintiff wants to know who the Chairperson of the committee reports too.

3) I want to see a organizational chart to where these new members come from, who do they report to, what are their degrees and expertise.

We have some "Shadow People" running the show, I reserve the right to add these person or persons if Evidence exposes them.

I reserve the right to sue in their individual capacity for turning me into a eunuch against my will and knowledge.

The following people are Ben Farmer M.D., Owen Murray M.D., Cynthia Jumper M.D., F Parker M.D., Pamela Griffith, John Mills D.O., Margarita-de-la-Garza-Graham M.D., Harold Berenzweig M.D.

Elizabeth Ann Linder M.D, Mary Annette Gary O.D  
Lawnette Linthicum M.D, are subject to suit  
in their personal capacity.

The Plaintiff amended her complaint with  
legal claim 16 and legal claim 17.

Legal Claim 16 offers to the Defendants a  
settlement to avoid individual liability and  
suit in the area of "Significant Relief", allows  
the Judge to review any settlement.

Your Honor, the outgoing members  
created a lot of problems to the Plaintiff,  
that has forced the Plaintiff to pursue a  
Civil Complaint and its far from finished.

Dr Raine hired that Soldiers of Fortune  
and mercenary Picken group for reputation,  
with the Texas Attorney General and his clients  
hiding along.

I was hit with their legal whip and  
it still smarts.

yet, these people skate. They took away  
counseling for Transgenders, the results were  
Easo cut his testicals and penis off and is  
now permanently housed in Jesus's nut house.  
Selene cut her penis off twice, threw it  
at the st over the policy of no psy. counsel  
for Transgenders about Gender Dysphoria.

Lilly cut her testicals completly off over  
no counsel.

Dr. Meyers had his ability to prescribe  
and could only recommend to people on the  
committee that were not Gender Doctors, had  
no experience.

Ms Alexander and Ms Benoit were told  
under no circumstance could they discuss  
Gender Dysphoria with me — its in the letters.

Q. Your Honor, I will need a Expert  
Witness on Gender Dysphoria, I need a  
Court Control fund. The named Defendants  
need to pony up \$2,000 each for their  
Court control fund to pay the expert with.

There's 10 Defendants, \$20,000 could be  
set aside for Expert Testimony.

They cause the problem let them help  
fix it, if you ask they would help —  
like I said to you, their not bad people or  
evil just stupid.

We're going to court on SRS surgery,  
there's no law for you to decide just material  
fact.

Summary.

The Plaintiff expresses grave doubt

about this ploy.

- 2) The Plaintiff reserves the right to see the named defendants in their individual capacity for whatever the name of it called.
- 3) The Plaintiff reserves the right to sue and add persons that this committee reports to.
- 4) The Texas Attorney General is trying to make the CMHC committee into a Government Agency but its not, these are medical contractors nothing more.
- 5) They've asked for a 30 day holding period to get release signatures from people that doesn't know what's going on — that puts us in May 15 till June 15.
